PA160122E

EN. Please read the information sheet before proceeding.

Please read all of the information carefully and refer back when you see the numbered icons throughout instructions.

Safety and Care (EN)

- 1 To retain the best quality finish, clean product regularly with a soft damp cloth.
- 2 Do not use abrasive or chemical cleaners, as these will damage the product.
- 3 Do not immerse in water or place directly under running water.
- 4 Only fix to flat, shiny, glazed tiles or glass. Never use on wood, painted, matte or textured surfaces.
- 5 Do not position sucker over grout lines. Not suitable for marble tiles.

Before installing

1. Thoroughly clean the mounting surface to remove any dirt, residue or contaminants that may reduce the sucker performance.
2. Rinse the mounting surface with clean water and dry with a clean cloth.
3. Rinse suction bracket in warm water to remove any dust etc. that may have accumulated since manufacture, then dry with a clean cloth.

2.

LED Indicator

Blue LED flashing quickly indicates pairing mode.
 Blue LED flashing slowly indicates successful pairing.
 Solid Red LED indicates device is charging.
 Flashing Red LED indicates low battery.
 Red LED turns off when fully charged.

3.

How it works

Press and hold the power button to start up the device. A light will appear to confirm it is on.

To pair your device to the speaker please turn on your devices bluetooth function and search for **CDX SHOWER SPKR.**

The power light will flash to tell you it is searching. You will hear a chime to confirm you have paired your devices successfully.

Once paired you can play music or receive phone calls through your device.

Using the suction pad stick the speaker to your bathroom wall. Ensure the surface is smooth and free from debris.

Accepting calls

To accept a call in the shower press the Call button once and talk into the speaker.

Press the call button once more to end the conversation.

To the Restriction of Hazardous Substances (RoHS) Directive 2011/65/EU

1. *Description of products:-*

Name: **Bluetooth Speaker**
Part No. **PA160122E**

2. *Directives complied with:-*

European Council Directive 2011/65/EU of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (recast).

3. *Declaration*

It is hereby certified that the concentration by weight of the restricted substances in the homogenous materials in the products described above at section 1 do not exceed the maximum allowed concentrations listed in European Council Directive 2011/65/EU Annex II Restricted substances referred to in Article 4(1) and maximum concentration values tolerated by weight in homogeneous materials, as detailed below:

Substance	Concentration
Lead	0.1%
Mercury	0.1%
Cadmium	0.01%
Hexavalent Chromium	0.1%
PBB (Polybrominated Biphenyls)	0.1%
PBDE (Polybrominated Diphenyl Ethers)	0.1%
